

# CoffeeSafe

**Safety | Technology | Innovation**

It is a Legal Requirement that Coffee Machines Comply with the **Pressure Systems Safety Regulations (PSSR)**.

Users and Owners of coffee machines have a legal duty to ensure their coffee machines are operated safely, suitably maintained and examined at set frequencies in accordance with a **Written Scheme of Examination (WSE)** which begins prior to first use.

## ARE YOU COMPLYING WITH THE LAW?

To ensure compliance please contact **CoffeeSafe** on

 **01274 979927**

We can assist you to arrange this vital safety assessment of your coffee machine.
